**The 37th Annual Wine and Cheese Festival will be LIVE at  
Waterwheel Farm in Fredon, NJ • Sunday, September 12 • 2 p.m. - 5 p.m.**

As the Friends of Hospice plan the 37th Annual Wine & Cheese Festival scheduled this year on Sunday, September 12, from 2-5 p.m. the recipe for this successful community embrace remains the same; Waterwheel Farms is still the perfect canvas of rolling acres for the event; Burke's Wine & Liquors continues to assemble an impressive tour of wine tasting and give guests an opportunity to sample wines from around the world and the volunteer members of the Friends of Hospice are there to greet all with warm hospitality and a smile. Come and enjoy live music setting the mood and exciting live and silent auctions featured throughout the afternoon.

This year we will be following all CDC and State Mandated precautions. We will serve a select choice of cheeses and meats individually boxed for your enjoyment and safety and a delectable dessert. We invite guests to BYOBB! Bring your own picnic baskets and blankets to relax and fully enjoy your day on the farm.
